# Bible Reading Marathon

Many of the people of God everywhere believe that the whole world is on the verge of a new **dawn** through knowing Christ, the light of the world.

But the Bible says in Isa 8:20 (NIV)

*“To the Law and to the testimony!*

*If they do not speak according to this word*

*They have no light of dawn”.*

**So we badly need to read the Bible.**

## The Bible is a huge project.

The One who planned, managed and willed it is God Himself.

The project took more than **1500** years to write God inspired approximately **40** writers to write it.

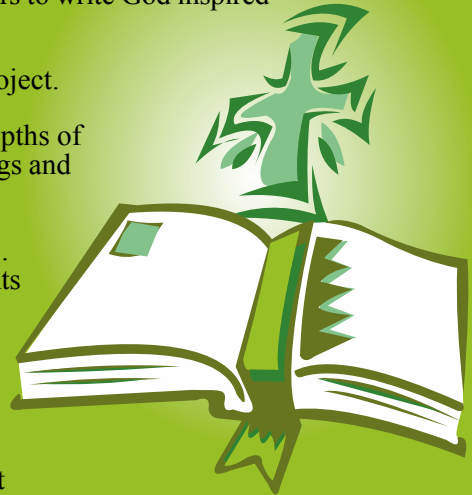

Human beings are the target of this project.

The Book's purpose is to reveal the depths of God's heart and love for us human beings and make Himself known to us.

He created us according to His image ..  
His delight is in Adam's sons.. He wants us to dwell with HIM in one place forever.

It's well worthwhile reading the whole Bible to **know God**.

To know what's in His heart towards us, His creation and the object of His delight.

Yes indeed, we want to **know God**.

However, no-one has ever seen God.

Jesus Christ is the image of the unseen God.

He came to earth and spent more than three years with the disciples. He ate and drank and lived among them.

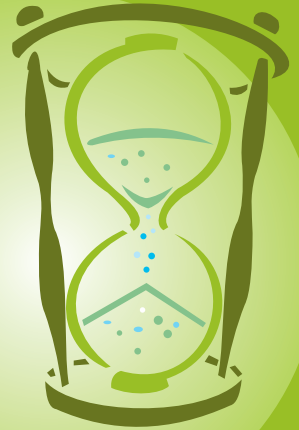

Despite that, after the resurrection, two of his disciples could not recognize Him when they met Him on the road to Emmaus.

To make Himself known, Christ began to explain to them things concerning Himself from all the scriptures starting at the very beginning.

***“And beginning with Moses and all the prophets, He explained to them what was said in all the scriptures concerning Himself”. Luke 24:27***

so to know God in Christ, we have to read the whole Bible from beginning to end.

Christ is revealed in every book of the Bible.

- Do you know that you can read the whole Bible in only 80 hours?
- This means that if you spend one hour daily in reading the Bible, you will finish reading it all in 90 days maximum.

***“Man does not live on bread alone  
but on every word that comes  
from the mouth of God”  
Matthew 4:4 (NIV)***

So if you read the Bible for half  
an hour three times daily as if  
it is your meal,  
you will definitely complete  
it in a shorter period than  
mentioned above.

•In 2006 a small group completed reading the whole Bible in two months and five days. It was a glorious time they experienced a great recognition and enlightenment concerning the **knowledge of God** and His will.

•In 2007 a few thousand people participated, from different countries of the world, in completing reading the whole Bible, in the period from October 15<sup>th</sup> to 15<sup>th</sup> January 2008.

•This year hundreds of thousands of people from all over the world will participate in reading together from 1<sup>st</sup> October until 31<sup>st</sup> December 2008.

•**We welcome you as a partner alongside the many participants.**

\* The word Marathon means a long race .. Therefore, we used the word Marathon because we have decided that we are in a long race whose length is the entire Bible, may the Lord help all of us to complete the race and to increase in the knowledge of God's word which He sent to us.

# The Purpose of the Marathon
