

# L-10-T (LUKE 10 TRANSFORMATION)

## The principles of prayer evangelism

### Who should look at L-10-T?

- Leaders interested in practical **city transformation**.
- **Ministers** wanting their **congregations to impact their community**.
- **Youth leaders** wanting to get **all youth involved** in prayer and care.
- Leaders of **School Christian Associations!**
- Christian **business owners/managers/employees** wanting to impact their **workplace** for Christ.
- Every Christian who feels they **fail** in executing the **Great Commission and the two Great Commandments of Christ**.

### Introduction

Welcome to L-10-T, the **revolutionary new lifestyle of prayer, care and share introduced by Jesus Christ nearly 2000 years ago!** L-10-T is based on the instructions of Jesus to the 70 (or 72) disciples in Luke 10 and their enthusiastic return modernized for **today's** disciples in four easy steps. L-10-T also contains the principles of prayer evangelism as developed by Ed Silvano of ITN.

### What were the criteria for the L-10-T steps?

- **Every Christian** older than 12 and younger than a 100 should be able to do it.
- You must be able to do it **wherever you go from Monday to Saturday** for work, study, shopping or pleasure.

### What is L-10-T?

**Step 1:** Everyone who L-10-Ts **asks God's blessing or peace** on every place they go.

**Step 2:** Everyone **fellowships** with all people (of all faiths or no faith) wherever they move (without compromising their faith) – preach Christ but only if necessary use words!

**Step 3:** **Identify the needs** of the people around you by listening or asking and then: Assist physically or emotionally if possible; AND/OR pray for the need (silently or out loud to the person).

**Step 4:** Preach the gospel by **talking** if you have the gift of evangelism or by **answering any question** about your faith, if you are one of the 96% who do not normally freely talk about Christ (see Statistics below). Step 4 should always be guided by the Holy Spirit!

### What is the effect of L-10T?

L-10-T challenges you to a **radical new lifestyle in Christ!** L-10-T guides the Christian to a lifestyle where he/she will **follow** Jesus Christ **daily** wherever he/she goes and imitate Him in a way that is possible for **all persons** in their interaction with friends and even strangers. L-10-T will allow the Holy Spirit to work in you and through you in ways you **never** thought possible! L-10-T will allow your faith in Christ to **get shoes** and to move out of your home, prayer group or congregation to **the places where you work, get your education, shop, relax or even when you travel!**

L-10-T allows followers of Christ to **mature** in their expression of the Great Commission (Mat 28:19) and of two Great Commandments – firstly by building their **personal relation with the Lord** through daily active prayer and secondly by **fellowshipping** with and **reaching out to their fellow employees, students, friends and strangers in need**, through praying and meeting physical and emotional needs.

## Who can L-10-T?

**Every Christian** older than 12 and younger than 100 (and a lot of the under-twelves too)! L-10-T changes **every** Christian into an active messenger of Christ wherever they go. We can say **everyone** because if you are too shy to pray in public, you may do it silently – it is in any case God who hears our prayers.

But **praying out loud** for someone with a need is a powerful witness. It is amazing what blessing your prayer will bring to someone (it does not matter whether the recipient is Christian, atheist, Muslim, Hindu or another religion).

## Statistics confirm the urgent need for L-10-T

Recent research of the reasons why non-Christians (Muslim, atheist, backslidden Christians, etc) come to Christ shows that the majority (approximately 90%) come to Christ through **indirect or relational evangelization** usually over a **long period of time** and often by the input of **several different Christians**. **L-10-T enables** the 90% to be reached by **MANY more Christians!**

**96%** of the average number of committed Christians **NEVER evangelise!** **L-10-T enables them to evangelise the Luke 10 way and EVERYONE regardless of personality CAN!**

Many Christians are active in ministry, but they represent **only about 10%** of the committed Christians. **L-10-T activates ALL THE REST!**

## Why is training necessary to effectively L-10-T?

Although the steps of L-10-T are simple, **resistance to change and old habits** prevent the lifestyle change that accompanies L-10-T. Therefore short training programmes have been developed for adults and youth (currently in English and Afrikaans) **to overcome this problem**. A **Train-the-Trainer** course is also available.

**The English Adult and Youth L-10-T Training Guides are available on the Transformation Africa Adult and Youth CDs! (OOK IN AFRIKAANS BESKIKBAAR!)**

## How is the training applied?

- Congregations train ALL their members to L-10-T, aiming at **getting at least 80%** to actively participate.
- Christian School Associations train **all** Christian scholars to L-10-T and THEN 30KD!
- In organisations **Christian employees** are trained to L-10-T by employees deciding to do so as a group, a Christian Workplace Ministry or a Christian Business Owner.

## Challenge

I pray that YOU will, **firstly**, take up the challenge to **personally** L-10-T from Monday to Saturday wherever you go and, **secondly**, **mobilise** your region, city, fraternal, congregation, and business to L-10-T. **Do NOT waste any time!**

Let's GO!
