

DAY 2
30 May 2014

THE SON OF GOD

Lord Jesus Christ, our Father demonstrated His love for us by sending You to become one of us.

You were willing to humble yourself, to leave your place of glory that You had with the Father, to become one with your creation.

It is a mystery that we can hardly comprehend.

We look at You, hoping and longing to see our Father.

Thank You, that You made it possible for us to be reconciled with Him.

Thank You, that through your humility and willingness to give yourself as our sacrifice, we can also become sons and daughters of the Father.

Thank You for the Spirit of Adoption, for the New Covenant and for the working of the Blood.

Help us to understand what true humility means.

Help us to grasp the awesome power of repentance and forgiveness that is available to us as humans, to deliver us from the hand of Satan, to redeem us from all curse and to transfer us from darkness into your kingdom.

As we look unto You, where You are seated at the Father's right hand, draw our hearts and minds to where You are.

As we partake of your divine nature, help us to overcome the constant battle against our own flesh, our own desires and the temptations of the world around us.

May the Church in our generation become Sons of God and be like You!

Amen.
