

DAY 4
1 June 2014

OUR ADVOCATE

Lord Jesus Christ, we respond today on your invitation to approach the throne of grace with confidence in our hearts.

Thank You for your sacrifice on the cross that opened for us the way to the courtrooms of heaven.

Thank You for praying and interceding for us, day and night.

Thank You for the constant forgiveness and mercy that flow from the throne of grace.

Thank You that we can trust and count on You as our Advocate and for the protection against the accusations of the devil.

Thank You that because of your blood, he no longer has any hold on us.

We trust You for your protection against all the schemes and plans of the enemy.

Help us to discern our times and the season that we are in.

Open our ears to hear the conversation between You and our Father.

We cast our burdens of the concerns of daily living upon You in full confidence that our Father knows what we need.

Enable us to share your burden and to work with You in advancing your Kingdom on earth.

We join You in your intercession on behalf of the human race.

We bring before You the needs of people around us: The need for salvation from sin and despair; The need for peace, protection, healing, deliverance and for daily sustenance.

Please hear our prayer.

Amen.
